Approved By National Council for Teacher Education, New Delhi

PROSPECTUS 2024-25

Message from the Founder

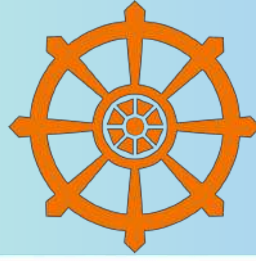

Venerable Dr. Acharya Buddharakkhita
Abhidhaja Aggamaha Saddhammajotika

The purpose of education basically is human development, i.e. the development of humaneness in man, making man more human. On the basis of this observation, every person, whether teacher or student, parent or child, educator or social worker, humanitarian or educational institution, everybody, connected with education in some way, must think very deeply about what exactly is the purpose of education.

Education has the great quality of empowering the mind with knowledge, skill and mental strength. Education should be turned qualitative in order to be competitive in the job market of the globalized world. But, more than that, it should produce good human beings who can live with love, harmony, sharing and helping each other for the welfare of the society. We are happy to announce the starting of Mahabodhi Lord Buddha College at Namsai. Today we have the mighty task of building our nation. The aim of this college is to empower our youth with strong human values and the skills necessary to achieve higher excellence in every field, so that they become builders of character, builders of culture and builders of nation.

We welcome you to join our college. May the blessings of Lord Buddha surround your lives with wisdom, well-being and happiness!

VISION

“To develop and provide higher education of excellent standard on holistic ground and to create self-confident, employable and value ingrained responsible individuals, who can meet the demands of competitive global worlds, both in materialistic and spiritual fronts and who can create peace and harmony in the world.”

MISSION

“Empowering the youth through holistic education to achieve human excellence in every field.”

College Prayer for Contemplation

1. Homage to Him, The Perfect One, The Supremely Enlightened One, The Blessed One!
2. Mind precedes everything Mind is their chief; they are all mind-made. If with a pure mind a person speaks or acts Happiness follows him like never-departing shadow.
3. Mindfulness is the path to the Deathless (Nibbana). Unmindfulness is the path to death. Those who are mindful do not die; Those who are not mindful are as if already dead.
4. As from a great heap of flowers many garlands can be made, even so many good deeds should be done by the one who is born to die one day.
5. Do not do any evil, Perform good actions always, purify your own mind, this is the teaching of Lord Buddha.
6. May all beings be happy! May all be free from sufferings. Just like me, may my beloved people and friends too be happy! May those who are indifferent and also those who hate me, be happy! May all those who reside in my village, town, district, state and country, in the whole world and indeed in the universe, be happy.

May all beings be happy!!!

The Logo Comprises of two parts

SHIELD

Shield is the symbol of victory, victory over ignorance through right knowledge. Shield has a central wheel and 4 (Four) compartments. The wheel is Dhammacakka, *Wheel of Dhamma*, which indicates the ever rotating sprint of righteousness in the world. The figure of Buddha in the first compartment indicates mental culture, wisdom, universal love and compassion. The Rising Sun in the North East corner represents the geography of Arunachal Pradesh and also represents Lord Buddha's teaching of wisdom and compassion which illuminate minds and lives. The open book represents knowledge based on value education. And the gears represent updated knowledge of modern development and technology which is ever in motion, both in theoretical and applied fields.
